Subject: Approval of Amended Notice of Intention to Commence Large Mining Operations,
Sentinel East Backfill Modification, Lisbon Valley Mining Co., Lisbon Valley Mine,
M/037/0088, San Juan County, Utah

Dear Mr. Indergard:

The Division approves the amendment to the large mine notice, received February 18, 2010. The modification to the backfilling plan is minor in nature and incorporates better drainage control for final reclamation. No change to the reclamation surety is needed.

Thank you for your cooperation and patience in completing this permitting process. If you have any questions regarding this letter, please contact me at (801) 538-5261 or Tom Munson at (801) 538-5321.

Sincerely,

Paul Baker
Minerals Program Manager
